RUEF AGAIN BEFORE JURY

On His Second Appearance He Testified Regarding Parkside Traction Co. Deal.

PROMINENT MEN INVOLVED.

Star Witness Got \$30,000 and the Supervisors Raised Their Price From \$750 to \$1,000.

San Francisco, May 17.-Abraham Ruef today, in his second appearance before the grand jury, testified regarding the Parkside Traction company deal, by which, according to the line of attack laid down by the prosecution, the directorate of the Parkside corporation paid to Ruef the sum of \$30,000 to secure a street railway franchise to enhance enormously the value chise to enhance enormously the value of the lots composing the Parkside real estate tract. The information in the possession of the prosecution is that of this sum \$1,000 was to be paid to each of the 18 supervisors for voting the franchise, and that the remainder, \$12,000, was to be shared evenly by Ruef and

Schmitz.

Among the directors and stockholders of the Parkside Traction company were W. H. Crocker, one of the foremost capitalists of San Francisco; Charles E. Green, manager of the vast Crocker-estate, and an official of the Crocker-Woolworth bunk; G. H. Umbren, a wealthy real estate man; Douglas Watson, the same; F. W. Tillman, wholesale grocer; Wellington Gregg, an officer of the Crocker-Woolworth bank, and Joseph Green, capitalist, who was sale grocer: Wellington Gregg, an officer of the Crocker-Woolworth bank, and Joseph Green, capitalist, who was president of the corporation. All of these men were called before the grand jury today. The fact that several of them were in the inquisitorial chamber but a few minutes gave rise to the report that they had refused to testify. This was not confirmed.

A detail of the charge to be pursued by the prosecution is that the original bribe agreed upon by each of the 18 supervisors was \$750, but that when the Parkside corporation, shortly after the great fire, decided that it wanted a trolley instead of a cable franchise, the price was raised to \$1,000 each, and that the raise was consented to. It is further charged that, the bribery-graft prosecution getting under way at about this time, the effort to have a franchise granted was postponed indefinitely—and that Ruef retained the \$30,000 ly-and that Ruef retained the \$30,000

When Ruef entered the grand jury clamber this evening it was 6:30 o'clock, and he had been waiting in an ante-room since shortly after 3. Several of the grand jurors, following the example set by all of them the day before, rose and grasped the fallen boss by the hand and expressed a desire to help him "in any way they could." help him "in any way they could."

AFFIDAVIT REGARDING MRS. EDDY'S APPEARANCE.

Concord, N. H., May 17 .- An interesting affidavit regarding the appearance of Mrs. Mary Baker G. Eddy, head of the Christian Science church at the time of the filing of the deed of trust conveying her property to three trustees, was filed today with the clerk of the superior court by Frank S. Streeter, coun-Ruef was asked tonight when he emerged from the grand jury chamber: "Have you made any arrangements to return to the men and corporations against whom you will testify in court the various sums of money paid by them to you for corruption purposes or as fees' in bribery deals?"

He replied: "I will have a statement to make in that regard a little later. When I stated in Judge Dunne's court on Monday that it was my purpose to henceforth lead a life of rectitude and to atone in so far as I could for whatever of wrong I had done in the past, I meant what I said. There was not opportunity then, nor was that the best occasion, to enter into details. But I shall presently prepare a statement

for before I made my annual report to her."

Ladd says that on June 4, 1899, Mrs. Eddy owned bonds of \$136,200 par value, in addition to bonds constituting a trust fund of \$100,000 given by Mrs. Eddy to the Christian Science church in Con-cord. In relation to the deed of trust given by Mrs. Eddy this year, Mr. Ladd says:

"I will sign that," and she signed both originals."

Mr. Ladd goes on to say in the affidavit that he and the trustees went to the bank and examined the securities. The total par value of the bonds thus disclosed to the trustees on the afternoon of March 6 was \$788,770.

AUTOMOBILIST KILLED.

Collided With a Wagon, the Driver Of Which Was Arrested.

Chicago, May 18,-In a collision be tween his automobile and a wagon, William McClintock, a retired capitalist, was almost instantly killed yesterday. His wife and little son were with him, but they escaped with no injuries. William G. Krieg, an architect, who was sitting in the front seat of the vehicle with Mr. McClintock, was bruised.

The accident was said to have been due to the confusion of William Pennington, driver of the wagon, who twice pulled his horses in front of the machine and frustrated Mr. McClintock's efforts to dodge him. Mrs. McClintock and Mr. Krieg say the automobile was going slowly.

Pennington was arrested.

Mr. McClintock's death bordered on

the heroic. According to the police re-port, he threw himself in the way of the shaft, which otherwise would have struck his wife.

MRS. MINNIE WALTERS.

M. I. A. Day, May 21st. GOV. TOOLE PARDONS

Butte, Mont., May 18.—A Miner special from Helena states that Gov. J. K. Toole has granted a pardon to Mrs. Minnie Walters, sent up from Bozeman for five years for forgery. Mrs. Walters, who can neither read nor write, was made the dupe of her husband in attempting to cash several forged checks and they were both convicted and sent to the penitentiary for the same number of years. Walters acknowledged having made his wire his dupe, she trusting him blindly being too ignorant to discern right from wrong in the matter.

A singular feature of the case is the request of the parents of Waiters that his wife be pardoned and that he be made an example of for the benefit of mankind. The parents offer to give the daughter-inlaw a home.
